

Web Services

We are a full service web provider.

**“Helping You
Do Business
Better...”**

Custom Computer Services
An independent
group of professionals
dedicated to serving your
information systems needs.

Features:

Now you can get the same service and support for your internet needs that you've grown accustomed to with your network service! On-site service and training is available (and included with our Web Starter Kit). Our web server gives you unlimited email accounts and Microsoft FrontPage Extension support. Our goal is to make you comfortable maintaining and updating your site.
